Girls Football

On Monday 20th May our girls football team travelled to their first away match at Westborough Primary. The girls all played very well and endured the challenge of new positions to work together in what was a very close match. There was some superb defending and passing and we scored our first goal of the season! Well done Aimee!! At half time it was a pleasure to hear the girls talking about their performance and being reflective; they discussed improvements they could make during the second half. We are very proud of you all for the great performance and dedication you demonstrated during the game - well done girls!

On Friday 17th May we played a home fixture against Parkway Primary School. This was a much closer game than when we played the away fixture at Parkway. Although we took an early 2-0 lead through goals from Jude and Sebastian, Parkway continued to press and managed to get on the score sheet. Thankfully Tom scored before half time to ensure we led 3-1 at the break. Once again Parkway fought back and made us work for our victory, which we thankfully secured through a nicely taken goal by Joshua. The game finished 4-3 to Brunswick House.

On Tuesday 21st May, we played away to St Marks Primary School. Nate made his debut in goal for the first half, making some good saves to ensure he kept a clean sheet. We took an early lead as Dario nodded in a corner from close range. We doubled our lead soon after, when Jude scored a powerful effort from a distance. Jude grabbed a second and Sebastian also added another before half time. The second half proved a closer affair. Nathan scored from close range to ensure we won the game 5-1.

Congratulations Evelyn from Year 6, who plays football for Castle Colts. They were runners up in the Under 11s Shield.

Well done Samuel from Year 2 who attended his first awards night with Castle Wanderers. He plays for the Under 7s team.

It has been a busy term of sport here at Brunswick House. Thank you to everyone that has contributed to the newsletter.

I look forward to reading about more sporting achievements in Term 6.
