

Year 2 Newsletter

In School Learning:

Week beginning 21/9/20

All the children of Year 2 have continued to be superstars over the last couple of weeks! We so impressed with everyone, well done!

Please remember that children should only be bringing in a water bottle, snack and their packed lunch to school; everything else will be provided in school for them and so they do not need to bring their own colouring pencils and notebooks into school.

Children should be coming into school on their PE days wearing their PE kits.

Lullingstone: Tuesdays and Thursdays

Upnor: Thursdays and Fridays.

If you have any questions, please do email ks1leader@Brunswick-house.kent.sch.uk.

Have a lovely week everyone ☺

Dates for the diary

Friday 23rd October

Last day of Term 1

Monday 2nd November

First day of Term 2

Friday 6th November

INSET Day

English: We have now finished using the book 'Here We Are' by Oliver Jeffers and created some lovely writing about the wonderful world we live in. This week, we started our new book 'The Journey Home' by Frann Preston-Gannon. We have used some great adjectives to describe the polar bear in the story. Next week, will be beginning to use adverbs and will finish the week by becoming authors and rewriting the story!

Phonics: We are still recapping our Phase 5 sounds using real and pseudo words.

www.phonicsplay.co.uk

Maths: The children have worked super hard on partitioning their numbers up to 100 and have a much more secure understanding of the place value of 2 digit numbers. Next week we will be counting in 10s, 5s, 2s and 3s.

Geography: This week, we created our own map of the world, ensuring our continents were all in the right place. The children loved this song:

<https://www.youtube.com/watch?v=K6DSMZ8b3LE&v=l=en> Next week, we will begin investigating why different animals live in different habitats.

Science: This week, we have created a map of our local habitat and included all the living things we can find. Do you find different living things in a habitat near your home?

RE/PSHE: The children have thought carefully about how they are unique, who is special to them and how they will be a good neighbour to others.

Hall of Fame

Stars of the week!

Lullingstone

Phoebe – She has had a fantastic week in Lullingstone, we wish her all the best in her new school!

Upnor

Annabelle for always being a kind and caring member of the class and working hard in every lesson!

Mathletes of the Week

Mathletics accounts have now been transferred to the correct class. If you have any problems, or have forgotten your log ins then please do let us know.
