## SUBJECT ON A PAGE

**EYFS** 

At Brunswick our mission is to provide an enabling environment to inspire our children to become accomplished, happy individuals, ready to reach their full potential in an ever-changing world.

# Intent- we aim to...

inspiring, nurturing

high quality learning

Include children at all ages and stages of ability, gender, race, culture and language

Skillul adult interactions support the children in their play and offer meaningful learning experiences

Support children so that they all make good progress from their starting points so that they have a smooth transition to Year 1

Develop children's communication skills within a language rich environment so they can speak and understand with skill

Ensure children achieve a sense of wellbeing and the ability to regulate their feelings so they feel confident in their

Provide stimulating and exciting experiences and opportunities for play and engagement

# Implementation- How do we achieve our aims?

### Inside and Outside

We offer stimulating, child initiated and adult led learning experiences where children are supported in their understanding with high quality verbal feedback

#### Families

We value our parents as the children's first educators and provide regular opportunities to engage with school life so that we share knowledge and experiences both of and with the children

### Staff

Staff build a strong team where knowledge about the children is celebrated and shared. They are supported to develop their knowledge and practice and, in turn, support the leader with their observations, enabling quality decisions about next steps

### Safeguard

In the foundation stage we meet the welfare requirements of the Statutory Framework. We actively safeguard and promote the welfare of all our children. We work with them to help them understand what they are feeling and how to manage their feelings successfully

# Impact- How will we know we achieved our aims?

Children develop good knowledge and understanding and enjoy talking about what they have learnt

Children are well rounded and ready to take the **next** steps

Children communicate their wants, needs and ideas easily with adults and peers

Children are resilient learners and take appropriate risks. They learn from their mistakes

Children have a wealth of experiences to draw on and openly communicate with their classmates and parents

Children are happy Relationships are strong and facilitate high quality learning

All children feel valued for who they are and can celebrate themselves and others
