The Brunswick House Year 5 and 6 girls represented Portugal at the under 11s Girls Mini World Cup . All of the players demonstrated great teamwork, effort and self-belief in every game. Darcey scored two excellent goals in the tournament and

Lucy was superb in goal. All games were closely contested and we only narrowly lost a couple. The team drew 1-1 in one of the

fixtures and were unlucky not to win. Well done girls!

On Tuesday 28th February, a team of Year 6s travelled to St. Katherine's for a netball game. Although this team had not played together before, they showed great teamwork which was commented on by the adults watching! The other team managed to take home the win but that did not stop us all erupting with cheers when Raia scored a goal! Everyone gave their best throughout the whole game, whether they were attacking or defending and should be very proud of themselves. We are very excited to develop as a team and go into our upcoming games even stronger. Well done everyone!

On 21st March, the Year 5 and 6 boys played in a cup quarter final football match, away at Kings Hill School. It was a thrilling cup tie, which was closely contested throughout. We deservedly took the lead after an excellent left-footed finish from Dylan. Noah forced a wonderful save from the Kings Hill keeper just before halftime. After half time, Kings Hill put pressure on our defence and managed to score an equaliser from close range. Both teams had chances to win the game and were putting on excellent accounts of themselves. Unfortunately, Kings Hill scored with a few minutes left to play. The team continued to believe. Elijah made two outstanding saves to keep the game alive. Despite a last-minute effort from Noah, the score remained Kings Hill 2 - 1 Brunswick. The whole team should hold their heads high for representing the school so brilliantly.

The weather was not on our side during our netball match on the 23rd March, but the team showed great determination and played fantastically! The players worked really well together and managed to score 5 goals. The final score was 5-3 to Brunswick and it was a well deserved first win for the team!
