 Being an RRSA Gold School

How will we help to further improve behaviour and attitudes in our school?

- * We will present assemblies on attendance and anti bullying;
- * We will help leaders launch Restorative Conversations;
- * We will get feedback about Zones of Regulation & Restorative Conversations;
- * We will fund raise to help our local community and families;
- * We will be raising awareness of well being through a poster campaign;
- * We want to work together with the SENCo to understand more about Nurture - so that the children in our school feel safe and listened to;
- * We will be evaluating the impact of Diversity Champions.

How are adults going to contribute to the high quality education at our school?

- * There will be help so that we can do well in in all our subjects and recall our learning;
- * Helpful tests to show adults how well we are doing & what we might still need help with;
- * Teachers 'questions help us to know more;
- * Foundation stage staff will help us to learn and remember more in all activities;
- * All teachers will use our phonics programme to help us to read well;
- * Adults will use school money well to make sure that the resources they buy enhance our learning experiences and opportunities, enabling us to achieve our best potential.

What will our leaders be working on for us?

- * Our headteacher will be training senior leaders to use their skills to enhance our provision;
- * Subject leaders will attend training that they will use to upskill all teachers;
- * Teachers will read up on things that will make our learning even more exciting;
- * Teachers will work together to identify how we work best and what makes us feel safe;
- * Governors will attend training on things that help our school to be the best it can be;
- * Governors will talk to us and our teachers to fully understand what we are learning and to check we are making good progress.
