Miss Collins

Miss Barker

Miss Lockyer

Miss Veness

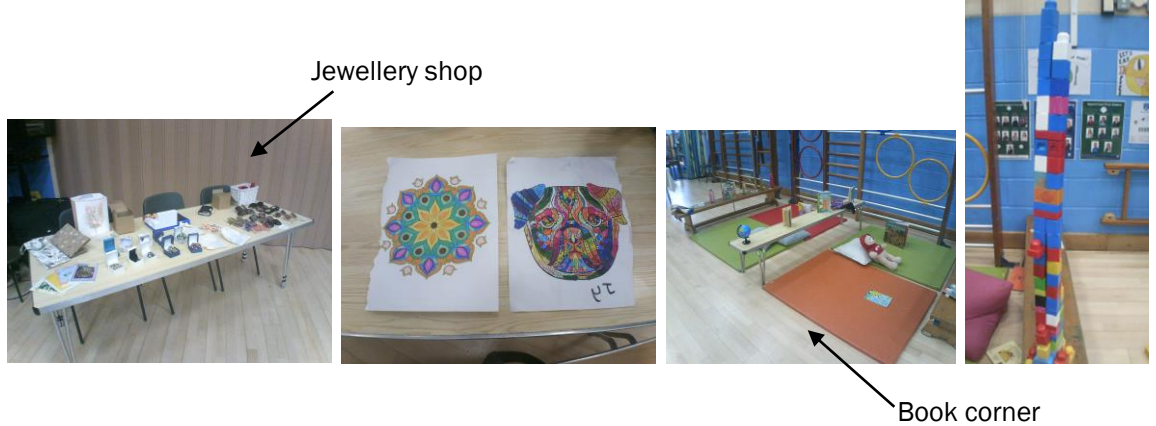

Miss Sauntally

Autumn term 2023

This term we have had lots of fun! We made poppies for Remembrance Day, lanterns for Diwali and trees for Christmas. As well as this, we have been sharing our creations in show and tell and singing and dancing too. There are so many activities at Breakfast Club. The children have been constructing towers with the marble run, reading together in our beautiful book corner, and playing snakes and ladders too.

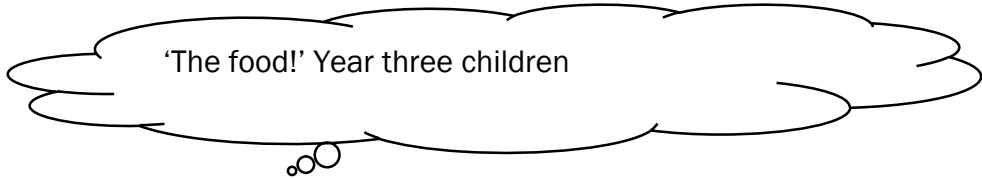

We also have our wonderful breakfast bar! We have cereals, toast, yoghurt and fruit every day! We eat with our friends at breakfast club.

Here is what the children enjoy about their provision:

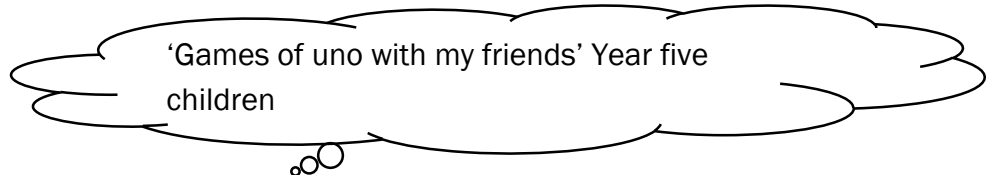

'Playing with the puzzles.' Foundation stage pupils

'The food!' Year three children

'Games of uno with my friends' Year five children

We look forward to having more fun at Breakfast Club next term.
Have an enjoyable and relaxing break with your families.
