## Comic Relief

The children and staff dressed in red today to raise money for comic relief. So far, we have raised a total of £185. There is still time to donate money to this cause following the link below:

## School Council

School Council representatives, along with Miss Steward have been busy over the last term working on our healthy school initiative. They designed a survey to ask families about packed lunches and have collated the results. They have created a leaflet in response to the survey to remind parents of our school lunch box rules and have researched ideas for packed lunches as requested by many parents. They are now surveying families on school dinners as well. Results from this will be shared with CH&Co who have agreed to attend a meeting with the school council after the Easter Holidays. The representatives are dedicated and passionate about our healthy schools status.
