

BRUNSWICK HOUSE PRIMARY SCHOOL—Foundation Stage and Key Stage 1

Child Friendly Safeguarding Policy

Here at Brunswick House Primary School, the most important thing is keeping your children safe.

What is Safeguarding?

Protecting you from harm and keeping you healthy.

Who can you tell?

It is important to tell **ANY** adult that you trust. All these people can help.

Always tell an adult if someone is:

- Hurting your body
- Hurting your feelings by saying unkind things
- Not looking after you
- Touching your private parts or wanting to see your private parts
- Asking you to touch or look at someone's private parts
- Bullying you or cyber-bullying you
- Showing you something online that makes you feel uncomfortable or sad

What we will do?

- We will listen to you
- We will tell you what is happening
- We might be able to help in school, speak to your parents or ask someone else to help us

We will do everything we can to keep you safe.
