

Music Matters

Welcome to term three's 'Music Matters' newsletter, the first one for 2026.

Inside this edition are details about the musical theatre's production of *Oliver! JR.*

LIONEL BART'S *Oliver!* JR.

On Wednesday 21st and Thursday 22nd January 2026, the streets of Victorian England came to life when our Musical Theatre club presented two sell-out performances of the musical *Oliver! JR.* The children performed brilliantly well and they should all be super proud of their achievements.

Over the next two pages are some photos taken at the final dress rehearsal that capture those wonderfully talented cast members.

MUSICAL THEATRE

Thank you to everyone that helped and/or supported the performances in any way, it was greatly appreciated.

From Miss Feast and the Musical Theatre team.
